

Famous for our Personalized Service

Quality Service + Competitive Pricing = Value

Our mission is to provide to our loyal customers the best service and support in the industry. We utilize our size and buying power to distribute the highest quality products at the lowest overall cost.

Because of this, both our competitors and our customers acknowledge that Famous is the most competitive distributor in our market area.

Experienced and Dedicated Team

Our greatest asset is our people. Our management, sales and support team has extensive experience in the industry.

From a small material list to the largest projects, the Famous team of dedicated associates can offer you service, technical support and product selection assistance.

The combined efforts of our team is determined to give you reliable and responsive service.

Wholesale Only Commitment

Since 1933 our philosophy has consistently been to partner with and serve only industry professionals. Our business relationships with our valued customers are built on the strong foundation of mutual trust and loyalty.

Famous works with our customers, not against or around them. Each and every day we work diligently to protect the sales and profits for our customers.

Large Inventory

We represent over 950 manufacturers and stock over 89,750 different items. Our companies have \$42,000,000 of quality products in stock. We are continually increasing the variety and depth of our product lines. This enables you to minimize your inventory carrying costs and put more profit dollars to your bottom line.

Our diversified inventory includes vital parts, supplies and accessories as well as equipment.

Product Availability When You Need It

We understand how important it is for you to get product when you need it. Phone and faxed orders will be ready for you in will-call. We provide shipments to job sites either with our 106 trucks or direct from our suppliers. For your convenience, we also accumulate and stage products in our warehouses.

Our customers have learned to depend on Famous for over 60 years.

One Source of Responsibility, Plus Support

Your local branch/warehouse is responsible for your pricing, availability, delivery, warranties, technical information, etc.

In addition, each branch/warehouse draws on the inventory and expertise of our entire organization to assist our valued customers. All our associates are committed to serve you.

Cost Effective Solutions

Our associates are available to answer your questions and help you find the proper mix of products to fit your applications. We are committed to helping you find solutions that satisfy all your needs.

Our Engineering Support Team assists our customers with their HVAC/R, plumbing, piping and other applications in the commercial, industrial, residential and institutional markets.

Methods of Payment / Financing

Famous offers you several payment options. Some customers prefer C.O.D. as a quick and easy solution. We extend credit terms to qualifying applicants.

We also accept Visa and Mastercard. Financing plans are available to help you sell more jobs. Please inquire about credit, financing and payment options.

Quality Products

Famous is your one-stop source for top of the line, brand name, quality products from the worlds leading manufacturers. Our management and marketing teams are continually evaluating new products to support your needs.

Your input on the products we distribute and any other of your concerns is always appreciated.

Education

You are invited to our Expo held every September in Cleveland, Ohio. With free parking, free admission, free food, free seminars and 500 manufacturers, our Expo is a cost effective way to see new products and interface with factory experts. Each year thousands of customers receive invaluable education at both the Expo as well as at local Famous training meetings. This training helps our customers maintain their competitive edge.
